

Week 17 Overview

Final (<https://calstatela.instructure.com/courses/80633/assignments/1286337>) will be from 5pm-7:00pm on Monday 12/12. More information about the final can be found in **Final Information** (<https://calstatela.instructure.com/courses/80633/pages/final-information>). I will be available to answer questions about the final. *Note that I will only answer questions about problem description and requirements - I will not answer any coding/debugging/deployment questions during the exam.*

Please review **Dos and Don'ts for Midterm**

(<https://calstatela.instructure.com/courses/80633/pages/dos-and-donts-for-midterm>) - all the advice applies to the final as well.
