

# Week 10 Overview

**Midterm** (<https://calstatela.instructure.com/courses/80633/pages/midterm-information>) will be from **6:00pm to 8:10pm on Wednesday 10/26**. I will be able to answer questions about the midterm. *Note that I will only answer questions about problem description and requirements - I will not answer any coding/debugging/deployment questions during the exam.*

Please read **Dos and Don'ts for Midterm** (<https://calstatela.instructure.com/courses/80633/pages/dos-and-donts-for-midterm>) before the exam.
